Dear Mr. Hedberg:

I am writing this letter to follow-up our telephone conversation regarding Juab Counties position on the road through the quarry in Leamington. As I mentioned, has indicated to us that they assert domain over the above mentioned road and that any attempt by B.E.G. to reclaim said road would be considered unlawful. I have received a letter (finally) from the Juab County Attorney, Mr. David O. Leavitt, and am including a copy of this letter for your review.

When you receive this letter and have had a chance to review the county's position, please give me a call to discuss it at length.

Sincerely,

*Gay Bunningham*

This assertion excludes Highway 132 which is a state highway. Pursuant to instructions from the Juab County Commission, I also wish to inform you that none of these roads stated above are scheduled for abandonment and closure by Juab County and will remain open at all times. Juab County will continue to maintain the above referenced roads.

If you have any questions, please do not hesitate to call.

Kindest regards,
